

First you draw one large snow ball. Then on top of the snow ball draw a smaller snow ball, but not too small. Next you draw an even smaller snow ball for the head. When you're done then draw a green scarf around its neck.

Then draw two scarfs coming out of the main scarf on the right side. Draw two very small circles for the eyes. Next draw seven tiny black dots arranged in a smile. After that you draw a fat carrot nose with black stripes on it.

When you're done with that, draw a left stick that is pointing toward the ground. The other stick is pointed straight out right. On the left arm there is a twig in the middle pointing down to the ground and two twigs pointing up in the air.

On the left arm draw one twig pointing up and the other one is pointing down to the ground. The
